

CHAIRS

Office Chairs

The leader of office life

T04

T04

With people-oriented design concepts, every detail is crafted with the art of unique cohesion. T04 lets you savor strands of the office life.

High back design, light spirit

Neat curve, ergonomic exquisite design, with great and steady support for the back. It gives the user a fresh air awaking with full of energy.

Bright and comfy to sit and enjoy life

The clean and elegant structure coruscate the unique expressive force and the stable life.

T04MW

T04MW

Bright colours express vigour and beauty. Lighten frustration and lift the mood making us feel warm.

T24

Perfect combination of vision and touch

About T24

Lightweight and portable to meet every kind of occasions. An embodiment of perfect posture, comfort and the design of the human body. Exhibiting poise regardless of how you sit and work.

T24HF

T24M

T24E

Personality blooms in the delight of the ocean hues.

Say goodbye to dull one-fold colour tone and leave some room for imagination.

This soft blue is reminiscence of the calm ocean under the clear summer sky. The T24H and T24E gives a young and cool vibe to your office.

The slim seat belies the level of comfort it offers. It not only feels great the moment you sit on it, it also delivers lasting comfort whether you're sitting down for half an hour or a whole day.

FOAM CHAIR

About **FOAM CHAIR**

The quality cow leather represents nobility and at the same time symbolizes profound, straightforward, free characteristics, which further motivates the inspiration and creativity of designers, adding more space to design imagination.

With a breathable foam material as you lean back, handling official business has never been calmer.

K03

About K03

Chairs are equipped with a built in ganging device for use when ganging non mobile chairs. Works for both arm and armless models.

Simply flip the seat up and the chair nests conveniently out of the way. Seat bottom covers all mechanism that makes the chair look neat and elegant.

Rotating Anti Panic Writing Tablet, revolving the work surface from 0 to 210 degrees to fit everyone.

CENTRIX

About CENTRIX

The CENTRIX chair easily supports all types of work, from collaborative group work to focused work. Available as seated and stool height. Think easily integrates into today's workplace, providing comfort and support no matter the task or type of work.

A self-weighting mechanism intelligently responds to a user's body weight, automatically providing the right amount of resistance as the user reclines in the chair. **No adjustment necessary.**

HUNTER

About HUNTER

Inspired by the natural movement of the head and neck, HUNTER headrest offers an unprecedented range of motion that not only provides superior comfort and support, but also more choice and control over work postures.

TO7MW

TO7MWF

HUNTER features a refined aesthetic, combining beauty and functionality. A variety of surface materials and a range of product options, makes it easy to integrate Hunter into any application.

IM-6C CHAIR

About IM-6C

IM-6C collection offers a broad line of seating products for classrooms, cafes and meeting rooms, combined with a wide-range of bases, provide versatile seating solutions without compromising comfort and durability.

You're collaborating more than ever. Supportive chairs that let you easily change your posture and vantage point make a big difference in the outcomes you achieve.

SIMPLE & SMART,
FASHIONABLE &
GRACEFUL

Stylishly simple and affordable. IM-6C goes the distance with a generous, easy in, easy out seat and a cutout back for comfort and flexibility.

Collaborative Chairs

Shift your weight. Rotate your view. No matter how long you stay in collaboration mode, IM-6C promotes the movements that keep you engaged.

Versatile Comfort

Collaboration is increasingly common in the workplace today. Based on three key observations and insights. IM-6C is design to increase comfort during collaboration so workers can focus on the task at hand.
